The Society creates a conducive environment. We encourage our students to be socially conscious, balanced, disciplined, responsible and happy human beings and then inspiring leaders. We want to inculcate values in students so that they should be able to manage resources with vision and can contribute greatly towards the progress of the society. We are confident that the students of I.I.E.M. Society shall contribute in creating a Developed world for the coming generations.

Management Message

Dr. Vipin Gupta

Dr. Vikas Agarwal

Deepak Babu

The purpose of I.I.E.M. Society is to produce individuals geared to change, capable of initiating and expounding new ideas suitable for the new world by providing high quality stimulating teaching-learning environment.

In the present Indian Scenario, youngsters have to play an important role in the development of the country. With the advent of globalization and privatization in educational system, paradigm shift was triggered towards value added, job oriented professional courses, which not only help young citizens in getting jobs but also generate self-employment opportunities.

Indraprastha institute of Education & Management Hapur is the endeavour of I.I.E.M. Society, dedicated to serve the community and the country as a whole, for the fulfillment of the genuine needs of quality education, primarily in the field of Education, Technology, Yoga, Physical Education and Management. These professional courses strengthen skills and expertise of students and enable them to meet new challenges in Industry and Society.
